### ***Extended warranty options***

Your limited 10-year parts warranty from the manufacturer does not cover labor fees for repairs. Our plan enables you to know that for the duration of your purchased coverage, any labor costs associated with mechanical failure are also covered.

Su garantía limitada de 10 años para piezas del fabricante no cubre los costos de mano de obra por reparaciones. Nuestro plan le permite saber que, mientras dure la cobertura adquirida, también se cubren los costos de mano de obra asociados con fallas mecánicas.
