HOW TO OBTAIN SERVICE

When repairs are required, homeowner or business owner is required to call the mechanical contractor on the face side of the Extended Service Plan agreement. The contractor will repair your equipment and will be paid by the program manager for services covered under the plan, in accordance with the terms and conditions of this plan.

If the contractor called is unable to perform service on the equipment or if emergency repairs are needed, please call program manager at

(877) 302-5072 or email

support@coolcareprotection.com

MOST COMMON COVERED REPAIRS

- Compressor
- Condenser Coil
- Accumulator
- Fan Motor
- Reversing Valve
- Run Capacitor

OWNER'S RESPONSIBILITIES

This is not a maintenance contract and does not cover the cost of routine/seasonal maintenance. Owner's Responsibilities include providing normal care and maintenance including but not limited to, cleaning evaporator and condenser coils, drains, burners, or heat exchangers; lubrication; adjustments; normal filter maintenance; and accessibility for service.

All Service must be performed in accordance with manufacturer specifications and by an approved coolCARE servicer.

Defects in material and/or faulty workmanship as supplied by the manufacturer or manufacturer recalls and/or labor repair allowance will not be covered by under this Extended Service Plan. Routine maintenance, including but not limited to "topping off" an air conditioner or replacing oil nozzles, or any repairs which are made necessary because routine maintenance was not performed by Equipment Owner.

coolCARE LABOR
